

Intuitive & Integrated Solutions

We enable firms of all sizes to streamline operations with innovative software solutions backed by superior support.

Going Above & Beyond: It's In Our Name

Our name, pronounced “\ ‘en(t)th \” degree, is more than just a name; it represents our core philosophy by mirroring our passion for exceeding expectations. Whether it’s in the solutions we create or the support we provide, we push to the ends of the earth, the nth degree, to ensure your success.

Digital Billing

Minimize tedious edits and manual tracking through features that provide greater convenience, accuracy, and visibility during the monthly billing cycle.

Expense & AP Workflow

Experience a seamless submission process for expense reimbursements and AP invoices with a workflow tailored to maximize accuracy and save time for your firm.

New Business Intake

Ensure efficient conflict check submission, capture new client documentation, and expedite matter creation based on your firm’s requirements.
